ABOUT THE INSTITUTE

Vaagdevi Institute of Technology & Science was established under the auspicious of Sri Sri Sri Mookambika Educational Society as institution of repute in Rayalaseema in the year 2002-03. It is affiliated to JNTUA University, Anantapuramu. This college offers the three under graduate courses in the specializations of EEE, ECE, CSE and postgraduate courses M.Tech & MBA.

A large number of our students are well placed in a number of MNCs and central government organizations. Today, after witnessing the rapid growth of this institution in the past few years, students from different parts of the state are joining for their bright future.

BEST PRACTICES BEING FOLLOWED AT VITS

- ✦ First Wi-Fi campus in JNTUA affiliated colleges.
 - ✦ Vaagdevi Alumni Welfare Association is functioning since 2007.
 - ✦ Guest Lectures are being arranged regularly through Vaagdevi Alumni Welfare Association
 - ✦ To improve technical skills SMART classes are being arranged
 - ✦ Advanced Teaching Learning Methodology through digital classes
 - ✦ Social service activities in villages through 2 NSS Units.
- To improve the physical health, everyday Games & Sports hour are being conducted for all B.Tech & PG students

OBJECTIVE OF WORKSHOP

- Understanding Research Methodologies: The workshop will provide an overview of different research methodologies, including qualitative, quantitative, and mixed methods approaches.
- Practical Application: Through case studies, group discussions, and hands-on exercises, participants will learn how to apply different research methodologies to real-world research projects. They will develop practical skills in research design, data collection, analysis, and interpretation.
- Research Ethics: The workshop will cover ethical considerations in research, including issues related to informed consent, confidentiality, and data integrity.

ABOUT WORKSHOP

The workshop will be conducted over a series of sessions, each focusing on different aspects of research methodologies. It will be led by experienced researchers and academic experts with expertise in various research fields. The sessions will be interactive, allowing participants to engage with the material through discussions, activities, and practical exercises.

Participants will have a deeper understanding of research methodologies and the confidence to apply them effectively in their own research endeavors. They will be equipped with practical tools and techniques to conduct rigorous and impactful research that contributes to their field of study or profession.

Report on the Workshop

Title: Research Methodologies: From Theory To Practice

Date: 06/08/2018

Resource Person: P.Devika Devi

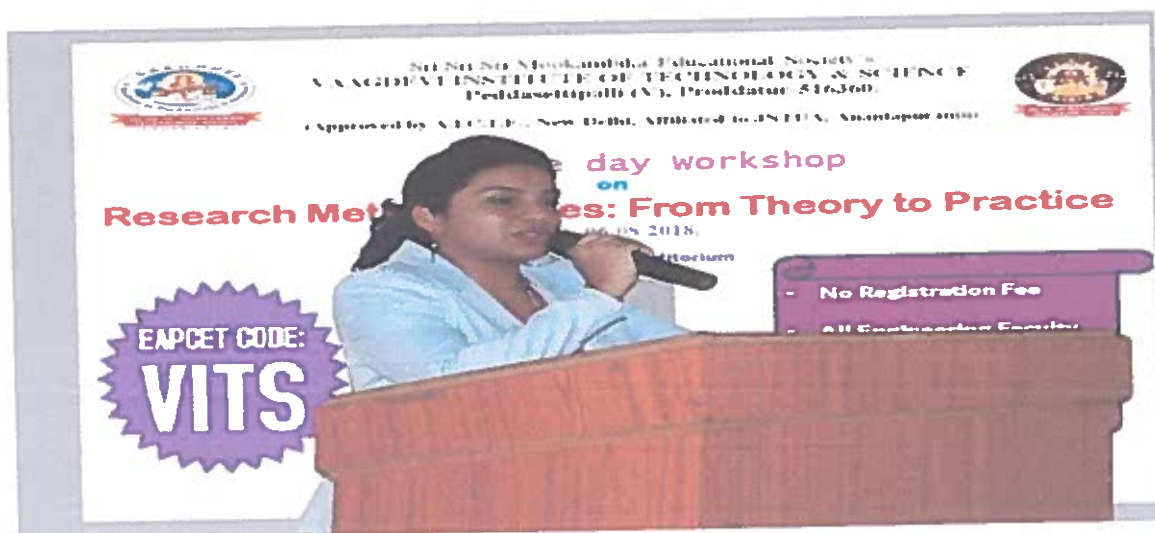

Event Coordinator: Dr.D.Harikishan Reddy

Total Participant(s): 58

Description of the Program:

The workshop was organised on 06th August 2018. Dr.D.Harikishan Reddy, Head of MBA-VITS & Coordinator of IQAC, organised the event. The Program was convened by the Principal Dr.G.Jagadeeswara Reddy, The Resource Person Ms P.Devika Devi, Assistant Professor, Department of MBA, SSITS, Rayachoti. She had elaborated on the Topic **"Research Methodologies: From Theory To Practice"** Which provided the students with a basic idea about various aspects of research methodology applying to practice from theoretical studies. The Students were Actively Participated Throughout the workshop.

Participants

All the Participants actively listening about the concept.

Program Outcome:

The workshop "Research Methodologies: From Theory To Practice" aims to equip participants with the essential skills and knowledge needed to conduct rigorous and impactful research. Through a comprehensive exploration of research fundamentals, including different paradigms and approaches, participants will learn to select and apply appropriate research designs, collect and analyze data effectively, and navigate ethical considerations in research. Emphasis will be placed on fostering critical thinking, problem-solving abilities, and the integration of theory into practical research applications. By the end of the workshop, participants will be able to communicate their research findings persuasively, collaborate effectively with peers, and approach research as a continuous learning process, thereby empowering them to make meaningful contributions to their respective fields of study.

Feedback:

All the Participants expressed their gratitude to the Resource Person Ms P.Devika Devi and Dr.D.Harikishan Reddy, Head of MBA VITS & Coordinator of IQAC for creating awareness on basic fundamentals of Research methodology.

 - ↓ Guest Lectures are being arranged regularly through Vaagdevi Alumni Welfare Association
 - ↓ To improve technical skills SMART classes are being arranged
 - ↓ Advanced Teaching Learning Methodology through digital classes
 - ↓ Social service activities in villages through 2 NSS Units.
- To improve the physical health, everyday Games & Sports hour are being conducted for all B.Tech & PG students

OBJECTIVE OF WORKSHOP

- Understanding Intellectual Property:** The workshop will provide participants with an overview of intellectual property rights, including patents, copyrights, trademarks, and trade secrets.
- IP Protection Strategies:** Participants will gain insight into various strategies for protecting intellectual property, including filing patents, copyright registration, and maintaining trade secret confidentiality.
- Commercialization Opportunities:** The workshop will explore avenues for commercializing academic research and leveraging intellectual property for economic and societal impact.
- Ethical Considerations:** The workshop will address ethical considerations related to intellectual property, including issues of authorship, attribution, and plagiarism.

ABOUT WORKSHOP

The workshop will feature presentations, case studies, and interactive discussions led by experts in intellectual property law, technology transfer, and academic entrepreneurship. Participants will have the opportunity to engage with real-world examples and explore best practices for preserving and leveraging intellectual property for academic success.

Participants will have a comprehensive understanding of intellectual property rights and the tools and strategies available for protecting and managing them. They will be better equipped to navigate the complex landscape of IP in academia and maximize the impact of their research and innovation activities.

Participants

All the Participants actively listening about the concept.

Program Outcome:

The workshop "Preserving IP for Academic Success" aimed to equip participants with the necessary knowledge and tools to safeguard their intellectual property (IP) in academic settings. Through a series of interactive sessions and expert-led discussions, attendees gained a comprehensive understanding of various aspects related to IP protection, including copyright laws, patent procedures, and strategies for managing research findings. By the end of the program, participants were able to identify potential IP issues in their work, implement effective protection measures, and navigate the process of commercialization or licensing where applicable. Ultimately, the workshop fostered a culture of innovation and responsible stewardship of intellectual assets, empowering academics to maximize the impact of their research while ensuring their rightful recognition and rewards.

Feedback:

All the Participants expressed their gratitude to the Resource Person Ms D Lakshmidurga and Dr.D.Harikishan Reddy, Head of MBA VITS & Coordinator of IQAC for creating awareness on basic fundamentals of IP.

ABOUT THE INSTITUTE

Vaagdevi Institute of Technology & Science was established under the auspicious of Sri Sri Sri Mookambika Educational Society as institution of repute in Rayalaseema in the year 2002-03. It is affiliated to JNTUA University, Anantapuramu. This college offers the three under graduate courses in the specializations of EEE, ECE, CSE and postgraduate courses M.Tech & MBA.

A large number of our students are well placed in a number of MNCs and central government organizations. Today, after witnessing the rapid growth of this institution in the past few years, students from different parts of the state are joining for their bright future.

BEST PRACTICES BEING FOLLOWED AT VITS

- ↓ First Wi-Fi campus in JNTUA affiliated colleges.
 - ↓ Vaagdevi Alumni Welfare Association is functioning since 2007.
 - ↓ Guest Lectures are being arranged regularly through Vaagdevi Alumni Welfare Association
 - ↓ To improve technical skills SMART classes are being arranged
 - ↓ Advanced Teaching Learning Methodology through digital classes
 - ↓ Social service activities in villages through 2 NSS Units.
- To improve the physical health, everyday Games & Sports hour are being conducted for all B.Tech & PG students

OBJECTIVE OF WORKSHOP

- Overview of Intellectual Property Rights: Participants will gain a foundational understanding of different types of intellectual property rights, including patents, copyrights, trademarks, and trade secrets.
- IP Protection Strategies: The workshop will cover various strategies for protecting intellectual property, including filing patents, registering copyrights and trademarks, and implementing trade secret protection measures.
- IP Enforcement and Litigation: Participants will learn about the legal remedies available for enforcing intellectual property rights and addressing IP infringement.

ABOUT WORKSHOP

The workshop will feature presentations, case studies, interactive discussions, and practical exercises led by experienced intellectual property lawyers, practitioners, and industry experts. Participants will have the opportunity to engage with real-world scenarios and gain practical insights into navigating the legal landscape of intellectual property rights.

Participants will have a deeper understanding of intellectual property rights and the legal framework governing them. They will be better equipped to make informed decisions regarding IP protection, enforcement, and commercialization, and to effectively manage their IP assets to drive innovation and business success.

All the Participants actively listening about the concept.

Program Outcome:

The workshop " Intellectual Property Rights Workshop: Navigating The Legal Landscape " aimed to equip participants with the necessary knowledge and tools to safeguard their intellectual property (IP) in academic settings. Through a series of interactive sessions and expert-led discussions, attendees gained a comprehensive understanding of various aspects related to IP protection, including copyright laws, patent procedures, and strategies for managing research findings. By the end of the program, participants were able to identify potential IP issues in their work, implement effective protection measures, and navigate the process of commercialization or licensing where applicable. Ultimately, the workshop fostered a culture of innovation and responsible stewardship of intellectual assets, empowering academics to maximize the impact of their research while ensuring their rightful recognition and rewards.

Feedback:

All the Participants expressed their gratitude to the Resource Person Ms C.Neelavathi and Dr.D.Harikishan Reddy, Head of MBA VITS & IQAC Coordinator for creating awareness on basic fundamentals of IPR.

ABOUT THE INSTITUTE

Vaagdevi Institute of Technology & Science was established under the auspicious of Sri Sri Sri Mookambika Educational Society as institution of repute in Rayalaseema in the year 2002-03. It is affiliated to JNTUA University, Anantapuramu. This college offers the three under graduate courses in the specializations of EEE, ECE, CSE and postgraduate courses M.Tech & MBA.

A large number of our students are well placed in a number of MNCs and central government organizations. Today, after witnessing the rapid growth of this institution in the past few years, students from different parts of the state are joining for their bright future.

BEST PRACTICES BEING FOLLOWED AT VITS

- ↓ First Wi-Fi campus in JNTUA affiliated colleges.
- ↓ Vaagdevi Alumni Welfare Association is functioning since 2007.
- ↓ Guest Lectures are being arranged regularly through Vaagdevi Alumni Welfare Association
- ↓ To improve technical skills SMART classes are being arranged
- ↓ Advanced Teaching Learning Methodology through digital classes
- ↓ Social service activities in villages through 2 NSS Units.

To improve the physical health, everyday Games & Sports hour are being conducted for all B.Tech & PG students

OBJECTIVE OF WORKSHOP

- Understanding Research Methodologies: Participants will gain a comprehensive understanding of different research methodologies, including qualitative, quantitative, and mixed methods approaches.
- Developing Research Questions: The workshop will cover strategies for formulating clear, focused, and theoretically grounded research questions..
- Designing Data Collection Methods: Participants will learn how to design and implement data collection methods that align with their research objectives and methodology. They will explore techniques for collecting primary and secondary data, including surveys, interviews, observations, experiments, and archival research.

ABOUT WORKSHOP

The workshop will feature presentations, case studies, group discussions, and hands-on exercises led by experienced researchers and methodologists. Participants will have the opportunity to apply the concepts and techniques learned in the workshop to their own research projects, receive feedback from instructors and peers, and refine their research designs.

Participants will have the knowledge, skills, and confidence to develop robust and effective research designs that address relevant research questions, generate meaningful findings, and contribute to knowledge advancement in their respective fields. They will be better equipped to plan, execute, and disseminate high-quality research that meets ethical standards and withstands rigorous scrutiny.

Report on the Workshop

Title: Crafting Research Designs: A Methodology Workshop

Date: 07th January 2019 & 08th January 2019

Resource Person: Sri J V M Praveen Kumar

Event Coordinator: Dr.D.Harikishan Reddy

Total Participant(s): 52

Description of the Program:

The workshop was organised on 07th January 2019 & 08th January 2019. Dr.D.Harikishan Reddy, Head of MBA-VITS & Coordinator of IQAC, organised the event. The Program was convened by the Principal Dr.G.Jagadeeswara Reddy, The Resource Person Sri J V M Praveen Kumar, Sr analyst, Xilinx, Hyderabad. He had elaborated on the Topic “**Crafting Research Designs: A Methodology Workshop**” Which provided the students with a basic idea about various aspects of research methodology applying to practice from theoretical studies. The Students were Actively Participated Throughout the workshop.

Program Outcome:

The workshop "Research Methodologies: From Theory To Practice" aims to equip participants with the essential skills and knowledge needed to conduct rigorous and impactful research. Through a comprehensive exploration of research fundamentals, including different paradigms and approaches, participants will learn to select and apply appropriate research designs, collect and analyze data effectively, and navigate ethical considerations in research. Emphasis will be placed on fostering critical thinking, problem-solving abilities, and the integration of theory into practical research applications. By the end of the workshop, participants will be able to communicate their research findings persuasively, collaborate effectively with peers, and approach research as a continuous learning process, thereby empowering them to make meaningful contributions to their respective fields of study.

Feedback:

All the Participants expressed their gratitude to the Resource Person Sri J V M Praveen Kumar and Dr.D.Harikishan Reddy, Head of MBA VITS & IQAC Coordinator for creating awareness on basic fundamentals of Research methodology.

ABOUT THE INSTITUTE

Vaagdevi Institute of Technology & Science was established under the auspicious of Sri Sri Sri Mookambika Educational Society as institution of repute in Rayalaseema in the year 2002-03. It is affiliated to JNTUA University, Anantapuramu. This college offers the three under graduate courses in the specializations of EEE, ECE, CSE and postgraduate courses M.Tech & MBA.

A large number of our students are well placed in a number of MNCs and central government organizations. Today, after witnessing the rapid growth of this institution in the past few years, students from different parts of the state are joining for their bright future.

BEST PRACTICES BEING FOLLOWED AT VITS

- ✦ First Wi-Fi campus in JNTUA affiliated colleges.
- ✦ Vaagdevi Alumni Welfare Association is functioning since 2007.
- ✦ Guest Lectures are being arranged regularly through Vaagdevi Alumni Welfare Association
- ✦ To improve technical skills SMART classes are being arranged
- ✦ Advanced Teaching Learning Methodology through digital classes
- ✦ Social service activities in villages through 2 NSS Units.

To improve the physical health, everyday Games & Sports hour are being conducted for all B.Tech & PG students

OBJECTIVE OF WORKSHOP

i). Identifying Intellectual Assets: Participants will learn how to identify and inventory their intellectual assets, including patents, trademarks, copyrights, trade secrets, know-how, and other intangible assets.

ii). IP Protection Strategies: The workshop will cover strategies for protecting intellectual property through patents, trademarks, copyrights, and trade secret protection measures.

iii). IP Commercialization Opportunities: Participants will explore various avenues for monetizing intellectual property, including licensing, franchising, joint ventures, spin-offs, and strategic partnerships.

ABOUT WORKSHOP

The workshop will feature presentations, case studies, interactive discussions, and practical exercises led by experienced intellectual property professionals, business leaders, and industry experts. Participants will have the opportunity to learn from real-world examples and best practices and apply the concepts and techniques learned in the workshop to their own business contexts.

Participants will have the knowledge, skills, and resources to strategically manage and monetize their intellectual property assets to drive business growth, enhance market competitiveness, and create sustainable value for their organizations. They will be better equipped to navigate the complexities of intellectual property management and leverage their IP assets as strategic assets for long-term success.

Program Outcome:

The workshop "Maximizing the Value of Your Intellectual Assets" was an insightful and practical program aimed at helping participants leverage their intellectual property (IP) to its fullest potential. Through interactive sessions and expert guidance, attendees gained a deep understanding of how to identify, protect, and commercialize their intellectual assets effectively. Key topics covered included IP strategy development, patenting processes, copyright protection, licensing agreements, and IP valuation methods. By the end of the workshop, participants were equipped with the knowledge and tools necessary to strategically manage their IP portfolio, enhance its value, and capitalize on opportunities for innovation, collaboration, and commercialization. The program fostered a culture of proactive IP management, empowering individuals and organizations to safeguard their creative and innovative endeavors while unlocking new avenues for growth and success.

Feedback:

All the Participants expressed their gratitude to the Resource Person Ms V Reddy Lakshmi and Dr.D.Harikishan Reddy, Head of MBA VITS & IQAC Coordinator for creating awareness on basic fundamentals of IPR.
