## ABOUT THE INSTITUTE

Vaagdevi Institute of Technology & Science was established under the auspicious of Sri Sri Sri Mookambika Educational Society as institution of repute in Rayalaseema in the year 2002-03. It is affiliated to JNTUA University, Anantapuramu. This college offers the three under graduate courses in the specializations of EEE, ECE, CSE and postgraduate courses M.Tech & MBA.

A large number of our students are well placed in a number of MNCs and central government organizations. Today, after witnessing the rapid growth of this institution in the past few years, students from different parts of the state are joining for their bright future.

## BEST PRACTICES BEING FOLLOWED AT VITS

- First Wi-Fi campus in JNTUA affiliated colleges.
  - Vaagdevi Alumni Welfare Association is functioning since 2007.
  - Guest Lectures are being arranged regularly through Vaagdevi Alumni Welfare Association
  - To improve technical skills SMART classes are being arranged
  - Advanced Teaching Learning Methodology through digital classes
  - Social service activities in villages through 2 NSS Units.
- To improve the physical health, everyday Games & Sports hour are being conducted for all B.Tech & PG students

## OBJECTIVE OF WORKSHOP

i) Incentivizing Innovation: IPR provides legal protection and recognition for novel ideas, inventions, and creative works. This incentivizes researchers, scholars, and educators to invest time, effort, and resources into generating new knowledge and solutions to complex problems..

ii) Facilitating Technology Transfer: IPR facilitates the transfer of technology and knowledge from academic institutions to industry, leading to practical applications and commercialization of research findings. This transfer of technology can drive economic growth and societal benefit.

iii) Preserving Academic Integrity: IPR safeguards academic integrity by preventing unauthorized use or misappropriation of intellectual property.

## ABOUT WORKSHOP

Hosting a workshop on "Intellectual Property Rights for Academic Excellence" can be a valuable initiative for academic institutions, research organizations, and scholars. The workshop will begin with an introduction to various types of intellectual property rights, including patents, copyrights, trademarks, and trade secrets, emphasizing their significance in safeguarding research outcomes and promoting innovation within academia.

Participants will receive guidance on navigating the patenting process, including the criteria for patentability and effective licensing strategies tailored to academic inventions. The workshop will address ethical considerations associated with intellectual property rights in academia, with a focus on ensuring equitable access to research outcomes and an overview of open access publishing models.

## ABOUT THE INSTITUTE

Vaagdevi Institute of Technology & Science was established under the auspicious of Sri Sri Sri Mookambika Educational Society as institution of repute in Rayalaseema in the year 2002-03. It is affiliated to JNTUA University, Anantapuramu. This college offers the three under graduate courses in the specializations of EEE, ECE, CSE and postgraduate courses M.Tech & MBA.

A large number of our students are well placed in a number of MNCs and central government organizations. Today, after witnessing the rapid growth of this institution in the past few years, students from different parts of the state are joining for their bright future.

## BEST PRACTICES BEING FOLLOWED AT VITS

- ✚ First Wi-Fi campus in JNTUA affiliated colleges.
  - ✚ Vaagdevi Alumni Welfare Association is functioning since 2007.
  - ✚ Guest Lectures are being arranged regularly through Vaagdevi Alumni Welfare Association
  - ✚ To improve technical skills SMART classes are being arranged
  - ✚ Advanced Teaching Learning Methodology through digital classes
  - ✚ Social service activities in villages through 2 NSS Units.
- To improve the physical health, everyday Games & Sports hour are being conducted for all B.Tech & PG students

## OBJECTIVE OF WORKSHOP

- Understanding Scientific Writing: Participants will gain an understanding of the principles and conventions of scientific writing, including clarity, accuracy, objectivity, and integrity.
- Crafting Research Papers: The workshop will cover strategies for crafting research papers that effectively communicate research findings, insights, and contributions to the academic community.
- Writing Literature Reviews: Participants will learn how to conduct a comprehensive literature review and synthesize existing research to provide context, background, and theoretical framework for their own research. They will explore techniques for critically analyzing and synthesizing research literature, identifying research gaps, and positioning their research within the conversation.

## ABOUT WORKSHOP

Hosting a workshop on " Research Methodology: The Art of Scientific Writing" will feature presentations, interactive discussions, writing exercises, and peer feedback sessions led by experienced researchers, academic writers, and scientific editors. Participants will have the opportunity to practice writing and receive constructive feedback on their work, as well as learn from real-world examples of effective scientific writing.

Participants will have the knowledge, skills, and confidence to write and communicate their research findings effectively through scientific writing. They will be better equipped to craft clear, concise, and compelling research papers that contribute to the advancement of knowledge and enhance their visibility and impact in their respective fields of study.

### **Resource Person Discussion with the Participants**

All the Participants actively listening about the concept.

### **Program Outcome:**

The workshop "Research Methodology - Art of Scientific Writing" was likely aimed at enhancing participants' skills in conducting research and communicating their findings effectively through scientific writing. It may have covered various aspects of research methodology, including formulating research questions, designing experiments or studies, collecting and analyzing data, and drawing conclusions. Additionally, the workshop probably focused on the art of writing scientific papers, including structuring manuscripts, citing sources appropriately, and adhering to the conventions of academic writing and publishing standards. Overall, the goal was likely to equip participants with the tools and techniques necessary to conduct high-quality research and communicate their findings in a clear, concise, and compelling manner.

### **Feedback:**

All the Participants expressed their gratitude to the Resource Person Ms G.Vinitha and Sri M.V.V.Prasad, Head of BSc&H & Coordinator of IQAC for creating awareness on basic fundamentals of conducting research and communicating their findings effectively through scientific writing.

## ABOUT THE INSTITUTE

Vaagdevi Institute of Technology & Science was established under the auspicious of Sri Sri Sri Mookambika Educational Society as institution of repute in Rayalaseema in the year 2002-03. It is affiliated to JNTUA University, Anantapuramu. This college offers the three under graduate courses in the specializations of EEE, ECE, CSE and postgraduate courses M.Tech & MBA.

A large number of our students are well placed in a number of MNCs and central government organizations. Today, after witnessing the rapid growth of this institution in the past few years, students from different parts of the state are joining for their bright future.

## BEST PRACTICES BEING FOLLOWED AT VITS

- First Wi-Fi campus in JNTUA affiliated colleges.
- Vaagdevi Alumni Welfare Association is functioning since 2007.
- Guest Lectures are being arranged regularly through Vaagdevi Alumni Welfare Association
- To improve technical skills SMART classes are being arranged
- Advanced Teaching Learning Methodology through digital classes
- Social service activities in villages through 2 NSS Units.

To improve the physical health, everyday Games & Sports hour are being conducted for all B.Tech & PG students

## OBJECTIVE OF WORKSHOP

- Understanding Social Research: Participants will gain insight into the nature and scope of social research, including its objectives, methods, and applications in addressing social phenomena and understanding human behavior.
- Exploring Research Paradigms: The workshop will cover different research paradigms and approaches in social research, including positivism, interpretivism, critical theory, and feminist research.
- Research Design and Methodology: Participants will learn about the principles of research design and methodology in social research, including qualitative, quantitative, and mixed methods approaches. They will explore techniques for data collection, sampling, data analysis, and interpretation commonly used in social research.

## ABOUT WORKSHOP

Hosting a workshop on "Nature And Role In Social Research" is designed for researchers, academics, graduate students, policymakers, practitioners, and anyone interested in social research and its applications in addressing social issues and informing decision-making. It is suitable for individuals from diverse disciplines and backgrounds who wish to enhance their understanding of social research methodologies, ethics, and implications for practice.

Participants will have a deeper appreciation for the nature and role of social research in addressing social issues and informing decision-making. They will be better equipped to design, conduct, and evaluate social research studies and apply research findings to address real-world challenges and opportunities in various sectors of society.

## ABOUT THE INSTITUTE

Vaagdevi Institute of Technology & Science was established under the auspicious of Sri Sri Sri Mookambika Educational Society as institution of repute in Rayalaseema in the year 2002-03. It is affiliated to JNTUA University, Anantapuramu. This college offers the three under graduate courses in the specializations of EEE, ECE, CSE and postgraduate courses M.Tech & MBA.

A large number of our students are well placed in a number of MNCs and central government organizations. Today, after witnessing the rapid growth of this institution in the past few years, students from different parts of the state are joining for their bright future.

## BEST PRACTICES BEING FOLLOWED AT VITS

- ✚ First Wi-Fi campus in JNTUA affiliated colleges.
  - ✚ Vaagdevi Alumni Welfare Association is functioning since 2007.
  - ✚ Guest Lectures are being arranged regularly through Vaagdevi Alumni Welfare Association
  - ✚ To improve technical skills SMART classes are being arranged
  - ✚ Advanced Teaching Learning Methodology through digital classes
  - ✚ Social service activities in villages through 2 NSS Units.
- To improve the physical health, everyday Games & Sports hour are being conducted for all B.Tech & PG students

## OBJECTIVE OF WORKSHOP

- Understanding Women Entrepreneurship: Participants will gain insight into the unique challenges and opportunities faced by women entrepreneurs, including gender biases, access to finance, work-life balance, and lack of representation in leadership roles.
- Building Confidence and Resilience: The workshop will focus on building confidence, resilience, and self-efficacy among women entrepreneurs. Participants will learn how to overcome self-doubt, imposter syndrome, and fear of failure and develop the mindset and resilience needed to navigate the challenges of entrepreneurship with confidence and determination.
- Developing Entrepreneurial Skills: Participants will develop essential entrepreneurial skills and competencies, including business planning, financial management, marketing, sales, and leadership.

## ABOUT WORKSHOP

Hosting a workshop on "Women Entrepreneurship" workshop is designed for women entrepreneurs, aspiring entrepreneurs, business owners, professionals, policymakers, and anyone interested in supporting and advancing women entrepreneurship. It is suitable for women from diverse backgrounds and industries who are passionate about entrepreneurship and eager to build successful and sustainable businesses.

Participants will have the knowledge, skills, and confidence to overcome barriers, leverage opportunities, and thrive as entrepreneurs. They will be better equipped to build successful businesses, create economic opportunities, and drive social change through entrepreneurship, contributing to a more inclusive and equitable society.

## ABOUT THE INSTITUTE

Vaagdevi Institute of Technology & Science was established under the auspicious of Sri Sri Sri Mookambika Educational Society as institution of repute in Rayalaseema in the year 2002-03. It is affiliated to JNTUA University, Anantapuramu. This college offers the three under graduate courses in the specializations of EEE, ECE, CSE and postgraduate courses M.Tech & MBA.

A large number of our students are well placed in a number of MNCs and central government organizations. Today, after witnessing the rapid growth of this institution in the past few years, students from different parts of the state are joining for their bright future.

## BEST PRACTICES BEING FOLLOWED AT VITS

- First Wi-Fi campus in JNTUA affiliated colleges.
  - Vaagdevi Alumni Welfare Association is functioning since 2007.
  - Guest Lectures are being arranged regularly through Vaagdevi Alumni Welfare Association
  - To improve technical skills SMART classes are being arranged
  - Advanced Teaching Learning Methodology through digital classes
  - Social service activities in villages through 2 NSS Units.
- To improve the physical health, everyday Games & Sports hour are being conducted for all B.Tech & PG students

## OBJECTIVE OF WORKSHOP

- Understanding Intellectual Property Rights: Participants will gain a comprehensive understanding of different types of intellectual property rights, including patents, copyrights, trademarks, and trade secrets.
- The Role of IP in Innovation: The workshop will explore the role of intellectual property rights in fostering innovation and creativity
- IP Management Strategies: Participants will learn about strategies for managing intellectual property assets effectively to support innovation and business growth. They will explore techniques for identifying, protecting, and leveraging IP assets, including patents, copyrights, trademarks, and trade secrets, to create value and gain competitive advantage.

## ABOUT WORKSHOP

Hosting a workshop on "Intellectual Property Rights and Innovation" is designed for entrepreneurs, innovators, researchers, policymakers, legal professionals, and anyone interested in understanding the role of intellectual property rights in fostering innovation and driving economic growth. It is suitable for individuals from diverse backgrounds and industries who wish to enhance their knowledge of IP management, technology transfer, and innovation policy.

Participants will have a deeper understanding of the relationship between intellectual property rights and innovation, and how IP can be leveraged to support creativity, entrepreneurship, and economic development. They will be better equipped to navigate the complexities of IP management, technology transfer, and innovation policy to drive innovation and create value in their respective fields.

## OBJECTIVE OF WORKSHOP

- Understanding Entrepreneurial Marketing: Participants will gain insight into the unique challenges and opportunities of marketing for startups and small businesses, including limited budgets, resource constraints, and the need for agility and creativity.
- Identifying Target Markets and Customers: The workshop will cover techniques for identifying target markets and customer segments, understanding customer needs and preferences, and defining value propositions that resonate with target audiences.
- Developing Brand Identity and Positioning: Participants will learn about the importance of brand identity and positioning in building a strong and differentiated brand presence in the marketplace.
- Creating Marketing Strategies and Plans: The workshop will discuss strategies for developing comprehensive marketing plans.

## ABOUT WORKSHOP

Hosting a workshop on "Entrepreneurial Marketing" is designed for entrepreneurs, small business owners, startup founders, marketing professionals, and anyone interested in learning how to develop and execute effective marketing strategies for entrepreneurial ventures. It is suitable for individuals at all stages of entrepreneurship, from idea-stage startups to established small businesses looking to scale their marketing efforts.

Participants will have the knowledge, skills, and confidence to develop and execute effective marketing strategies that drive growth, attract customers, and build brand awareness for their entrepreneurial ventures. They will be better equipped to leverage innovative marketing approaches, adapt to changing market dynamics, and achieve marketing success in competitive and dynamic environments.
