### ABOUT THE INSTITUTE

Vaagdevi Institute of Technology & Science was established under the auspicious of Sri Sri Sri Mookambika Educational Society as institution of repute in Rayalaseema in the year 2002-03. It is affiliated to JNTUA University, Anantapuramu. This college offers the three under graduate courses in the specializations of EEE, ECE, CSE and postgraduate courses M.Tech & MBA.

A large number of our students are well placed in a number of MNCs and central government organizations. Today, after witnessing the rapid growth of this institution in the past few years, students from different parts of the state are joining for their bright future.

### BEST PRACTICES BEING FOLLOWED AT VITS

- ✦ First Wi-Fi campus in JNTUA affiliated colleges.
- ✦ Vaagdevi Alumni Welfare Association is functioning since 2007.
- ✦ Guest Lectures are being arranged regularly through Vaagdevi Alumni Welfare Association
- ✦ To improve technical skills SMART classes are being arranged
- ✦ Advanced Teaching Learning Methodology through digital classes
- ✦ Social service activities in villages through 2 NSS Units.

To improve the physical health, everyday Games & Sports hour are being conducted for all B.Tech & PG students

### OBJECTIVE OF WORKSHOP

- Understanding Intellectual Property Rights (IPR): Participants will gain a comprehensive understanding of different types of intellectual property rights, including patents, copyrights, trademarks, and trade secrets.
- Identifying Inventive and Innovative Ideas: The workshop will cover techniques for identifying and assessing inventive and innovative ideas within organizations and entrepreneurial ventures.
- Implementing Protective Measures: Participants will learn about practical strategies and best practices for maintaining the confidentiality, integrity, and exclusivity of intellectual property assets.

### ABOUT WORKSHOP

Hosting a workshop on "How To Maintain Protective And Inventive Ideas On Behalf Of IPR" is designed for entrepreneurs, innovators, business owners, intellectual property professionals, and anyone interested in learning how to maintain protective and inventive ideas on behalf of IPR. It is suitable for individuals from diverse industries and backgrounds who wish to enhance their understanding of intellectual property rights and develop practical skills for protecting and leveraging intellectual property assets for business success.

Participants will have the knowledge, skills, and confidence to effectively protect, manage, and maintain their intellectual property rights for inventive and innovative ideas. They will be better equipped to navigate the complexities of intellectual property law, develop a strategic approach to intellectual property management.

## OBJECTIVE OF WORKSHOP

i). Identifying IP Assets: The workshop will cover techniques for identifying and recognizing intellectual property assets within entrepreneurial ventures, including inventions, creative works, brand assets, and proprietary information.

ii). Intellectual Property Protection Strategies: Participants will learn about practical strategies and best practices for protecting their intellectual property assets from unauthorized use, copying, or infringement.

iii). Navigating the Patent Process: The workshop will provide an overview of the patenting process, including the requirements for patentability, the application process, and the role of patent examination and prosecution.

## ABOUT WORKSHOP

Hosting a workshop on "Awareness On Intellectual Property Laws For Entrepreneurs" is designed for entrepreneurs, startup founders, small business owners, innovators, and anyone interested in learning about intellectual property laws and how they apply to entrepreneurial ventures. It is suitable for individuals from diverse industries and backgrounds who wish to enhance their understanding of intellectual property rights and develop practical skills for protecting and managing their IP assets.

Participants will have a deeper understanding of intellectual property laws and their implications for entrepreneurial ventures. They will be better equipped to identify, protect, and manage their intellectual property assets effectively, enabling them to maximize the value of their innovations, creations, and brands in the marketplace while minimizing the risks of infringement or misappropriation.

### **Resource Person Active Discussion with Participants**

All the Participants actively listening about the concept.

### **Program Outcome:**

The workshop "Awareness on Intellectual Property Laws for Entrepreneurs" aimed to educate entrepreneurs about the importance and relevance of intellectual property (IP) laws in the business world. By providing participants with a comprehensive understanding of patents, trademarks, copyrights, and trade secrets, the workshop aimed to empower entrepreneurs to protect their innovative ideas, products, and brands effectively. Through practical examples and case studies, participants learned how to identify and leverage their intellectual assets to gain a competitive advantage in the marketplace while also respecting the intellectual property rights of others. Ultimately, the workshop sought to instill a culture of respect for intellectual property and equip entrepreneurs with the knowledge and tools necessary to navigate the legal complexities of IP laws, thereby fostering innovation, encouraging creativity, and supporting sustainable business growth.

### **Feedback:**

All the Participants expressed their gratitude to the Resource Person Ms C.Neelavathi and Sri V.Narasimha Swamy, Head of CSE& Coordinator of IQAC for creating awareness on basic fundamentals of IPR.

## OBJECTIVE OF WORKSHOP

- Understanding Intellectual Property: Participants will gain insight into the concept of intellectual property and its significance in modern society.
- Types of Intellectual Property Rights: The workshop will cover the main types of intellectual property rights, including patents, copyrights, trademarks, and trade secrets..
- Patent Rights: Participants will learn about patents as a form of intellectual property protection for inventions and innovations.
- Copyright Rights: The workshop will discuss copyrights as a form of intellectual property protection for creative works, such as literary, artistic, musical, and dramatic works.

## ABOUT WORKSHOP

Hosting a workshop on "Introduction to Intellectual Property Rights (IPR)" can be a valuable initiative for academic institutions, research organizations, and scholars. The workshop will begin with an introduction to various types of intellectual property rights, including patents, copyrights, trademarks, and trade secrets, emphasizing their significance in safeguarding research outcomes and promoting innovation within academia.

Participants will receive guidance on navigating the patenting process, including the criteria for patentability and effective licensing strategies tailored to academic inventions. The workshop will address ethical considerations associated with intellectual property rights in academia, with a focus on ensuring equitable access to research outcomes and an overview of open access publishing models..

## ABOUT THE INSTITUTE

Vaagdevi Institute of Technology & Science was established under the auspicious of Sri Sri Sri Mookambika Educational Society as institution of repute in Rayalaseema in the year 2002-03. It is affiliated to JNTUA University, Anantapuramu. This college offers the three under graduate courses in the specializations of EEE, ECE, CSE and postgraduate courses M.Tech & MBA.

A large number of our students are well placed in a number of MNCs and central government organizations. Today, after witnessing the rapid growth of this institution in the past few years, students from different parts of the state are joining for their bright future.

## BEST PRACTICES BEING FOLLOWED AT VITS

- First Wi-Fi campus in JNTUA affiliated colleges.
- Vaagdevi Alumni Welfare Association is functioning since 2007.
- Guest Lectures are being arranged regularly through Vaagdevi Alumni Welfare Association
- To improve technical skills SMART classes are being arranged
- Advanced Teaching Learning Methodology through digital classes
- Social service activities in villages through 2 NSS Units.

To improve the physical health, everyday Games & Sports hour are being conducted for all B.Tech & PG students

## OBJECTIVE OF WORKSHOP

i). Exploration of Research Topics: Participants will explore a wide range of research topics and areas related to entrepreneurship development, including but not limited to entrepreneurial ecosystems, financing, education, innovation, social entrepreneurship, gender and diversity, technology, and international entrepreneurship.

ii). Identification of Research Gaps: The workshop will facilitate discussions on identifying gaps and opportunities for research within the field of entrepreneurship development. Participants will critically examine existing literature, theories, and empirical evidence to identify unanswered questions, emerging trends, and areas in need of further investigation.

## ABOUT WORKSHOP

Hosting a workshop on "Research Ideas On Entrepreneurship Development" is designed for researchers, academics, doctoral students, practitioners, policymakers, and anyone interested in advancing knowledge and understanding in entrepreneurship development. It is suitable for individuals at all stages of their research careers, from early-stage researchers exploring potential research topics to experienced scholars seeking to expand their research agenda. Participants will have gained a deeper understanding of the research landscape in entrepreneurship development and developed research ideas and proposals that have the potential to contribute to theory, policy, and practice in this dynamic and evolving field. They will be better equipped to pursue research projects, collaborations, and publications that advance knowledge and understanding in entrepreneurship development.

**Program Outcome:**

The workshop " Research Ideas On Entrepreneurship Development " aimed to equip participants with the necessary knowledge and tools to safeguard their intellectual property (IP) in academic settings. Through a series of interactive sessions and expert-led discussions, attendees gained a comprehensive understanding of various aspects related to IP protection, including copyright laws, patent procedures, and strategies for managing research findings. By the end of the program, participants were able to identify potential IP issues in their work, implement effective protection measures, and navigate the process of commercialization or licensing where applicable. Ultimately, the workshop fostered a culture of innovation and responsible stewardship of intellectual assets, empowering academics to maximize the impact of their research while ensuring their rightful recognition and rewards.

**Feedback:**

All the Participants expressed their gratitude to the Resource Person Sri Nikhil Chandrahas K and Sri V.Narasimha Swamy, Head of CSE& IQAC Coordinator for creating awareness on basic fundamentals of Entrepreneurship Development.

## ABOUT THE INSTITUTE

Vaagdevi Institute of Technology & Science was established under the auspicious of Sri Sri Sri Mookambika Educational Society as institution of repute in Rayalaseema in the year 2002-03. It is affiliated to JNTUA University, Anantapuramu. This college offers the three under graduate courses in the specializations of EEE, ECE, CSE and postgraduate courses M.Tech & MBA.

A large number of our students are well placed in a number of MNCs and central government organizations. Today, after witnessing the rapid growth of this institution in the past few years, students from different parts of the state are joining for their bright future.

## BEST PRACTICES BEING FOLLOWED AT VITS

- ↓ First Wi-Fi campus in JNTUA affiliated colleges.
- ↓ Vaagdevi Alumni Welfare Association is functioning since 2007.
- ↓ Guest Lectures are being arranged regularly through Vaagdevi Alumni Welfare Association
- ↓ To improve technical skills SMART classes are being arranged
- ↓ Advanced Teaching Learning Methodology through digital classes
- ↓ Social service activities in villages through 2 NSS Units.

To improve the physical health, everyday Games & Sports hour are being conducted for all B.Tech & PG students

## OBJECTIVE OF WORKSHOP

- Understanding Research Fundamentals: Participants will gain a comprehensive understanding of the fundamental concepts, principles, and components of research, including the research process, research questions, objectives, and hypotheses, as well as the importance of research ethics and integrity.
- Exploring Research Designs: The workshop will cover different types of research designs, including quantitative, qualitative, and mixed-methods approaches.
- Data Collection Methods: Participants will explore various data collection methods commonly used in research, including surveys, interviews, observations, experiments, and document analysis.

## ABOUT WORKSHOP

Hosting a workshop on "Introduction To Research Methodology" is designed for students, early-career researchers, professionals, educators, and anyone interested in gaining a foundational understanding of research methodology. It is suitable for individuals from diverse academic disciplines and professional backgrounds who wish to enhance their research skills and knowledge to conduct rigorous and impactful research projects.

Participants will have acquired the knowledge, skills, and confidence to design, conduct, and analyze research effectively. They will be better equipped to critically evaluate research literature, formulate research questions, select appropriate research designs and methods, collect and analyze data, and communicate research findings in a clear and compelling manner.

### **Report on the Workshop**

**Title:** Introduction To Research Methodology

**Date:** 01<sup>st</sup> July 2021 & 02<sup>nd</sup> July 2021

**Resource Person:** P.Devika Devi

**Event Coordinator:** Sri V.Narasimha Swamy

**Total Participant(s):** 54

#### **Description of the Program:**

The workshop was organised on 01<sup>st</sup> July 2021 & 02<sup>nd</sup> July 2021. Sri V.Narasimha Swamy, Head of CSE & Coordinator of IQAC, organised the event. The Program was convened by the Principal Dr.G.Jagadeeswara Reddy, The Resource Person Ms P.Devika Devi, Associate, Cognigant, Hyderabad. He had elaborated on the Topic “**Introduction To Research Methodology**” Which provided the students with a basic idea about various aspects of research methodology applying to practice from theoretical studies. The Students were Actively Participated Throughout the workshop.

### **Program Outcome:**

The workshop "Research Methodologies: From Theory To Practice" aims to equip participants with the essential skills and knowledge needed to conduct rigorous and impactful research. Through a comprehensive exploration of research fundamentals, including different paradigms and approaches, participants will learn to select and apply appropriate research designs, collect and analyze data effectively, and navigate ethical considerations in research. Emphasis will be placed on fostering critical thinking, problem-solving abilities, and the integration of theory into practical research applications. By the end of the workshop, participants will be able to communicate their research findings persuasively, collaborate effectively with peers, and approach research as a continuous learning process, thereby empowering them to make meaningful contributions to their respective fields of study.

### **Feedback:**

All the Participants expressed their gratitude to the Resource Person Ms P.Devika Devi and Sri V.Narasimha Swamy, Head of CSE& IQAC Coordinator for creating awareness on basic fundamentals of Research methodology.
