CIRCULAR

08/10/2022
Proddatur

This is to inform all Students and Faculties of Vaagdevi Institute of Technology & Science, that the IQAC at our college is organizing a two days workshop on “Quantitative Research Methodologies”. This informative event is scheduled on 10/10/2022 to 11/10/2022, at 10 AM. in Visveswaraya Auditorium.

All are requested to attend the same.

ABOUT THE INSTITUTE

Vaagdevi Institute of Technology & Science was established under the auspicious of Sri Sri Sri Mookambika Educational Society as institution of repute in Rayalaseema in the year 2002-03. It is affiliated to JNTUA University, Anantapuramu. This college offers the three under graduate courses in the specializations of EEE, ECE, CSE and postgraduate courses M.Tech & MBA.

A large number of our students are well placed in a number of MNCs and central government organizations. Today, after witnessing the rapid growth of this institution in the past few years, students from different parts of the state are joining for their bright future.

BEST PRACTICES BEING FOLLOWED AT VITS

- ↓ First Wi-Fi campus in JNTUA affiliated colleges.
 - ↓ Vaagdevi Alumni Welfare Association is functioning since 2007.
 - ↓ Guest Lectures are being arranged regularly through Vaagdevi Alumni Welfare Association
 - ↓ To improve technical skills SMART classes are being arranged
 - ↓ Advanced Teaching Learning Methodology through digital classes
 - ↓ Social service activities in villages through 2 NSS Units.
- To improve the physical health, everyday Games & Sports hour are being conducted for all B.Tech & PG students

OBJECTIVE OF WORKSHOP

- Understanding Quantitative Research: Participants will gain a foundational understanding of quantitative research, including its nature, purpose, and key characteristics
- Research Design and Sampling: The workshop will cover different types of quantitative research designs, including experimental, quasi-experimental, and survey research designs. Participants will learn about sampling techniques, sample size determination, and strategies for selecting representative samples from populations.
- Data Collection Methods: Participants will explore various data collection methods and instruments commonly used in quantitative research, including surveys, questionnaires, structured interviews, and archival data collection

ABOUT WORKSHOP

Hosting a workshop on " Quantitative Research Methodologies " is designed for researchers, academics, graduate students, professionals, and anyone interested in learning about quantitative research methodologies. It is suitable for individuals from diverse disciplines and fields of study who wish to enhance their quantitative research skills and apply quantitative methods in their research projects.

Participants will have acquired the knowledge, skills, and confidence to design, conduct, analyze, and interpret quantitative research studies effectively. They will be better equipped to use quantitative research methodologies to address research questions, test hypotheses, and contribute to evidence-based decision-making in their respective fields.

Sub: VITS-IQAC-Event "Quantitative Research Methodologies" -Requested-permission-approval-reg.

Respected sir,

With reference to the subject cited above, the IQAC of the college is organizing the Event "Quantitative Research Methodologies" with the resource person Dr V.Reddy Lakshmi, in Visveswaraya Auditorium of our college, From 10th October 2022 to 11th October 2022 , at 10:00 AM onwards. Kindly request you to give us permission to organize the above program.

This is submitted for you kind consideration.

Thanking you sir,

Yours faithfully

Sri K. Rama Mohan Reddy

Report on the Workshop

Title: Quantitative Research Methodologies

Date: 10/10/2022& 11/10/2022

Resource Person: Dr V.Reddy Lakshmi

Event Coordinator: Sri K Rama Mohan Reddy

Total Participant(s): 50

Description of the Program:

The workshop was organised From 10th October 2022 to 11th October 2022. Sri K Rama Mohan Reddy, Head of EEE& Coordinator of IQAC, organised the event. The Program was convened by the Principal Dr. S.D. Govardhan, The Resource Person Dr V.Reddy Lakshmi, Assistant Professor& Head, Department of Commerce, SKSC Degree College, Proddatur. She had elaborated on the Topic “**Quantitative Research Methodologies**” Which provided the students with a basic idea about various aspects of research methodology applying to practice from theoretical studies. The Students were Actively Participated Throughout the workshop.

Photographs of the Event:

Resource Person Dr V.Reddy Lakshmi Elaborates the concept

The Resource Person Dr V.Reddy Lakshmi, Shares his Valuable knowledge to the participants, Which provides the necessary information regards research methodology and its importance.

Sri Sri Mookambika Educational Society's
VAAGDEVI INSTITUTE OF TECHNOLOGY & SCIENCE
Peddasettipalli (V), Proddatur-516360.

(Approved by A.I.C.T.E., New Delhi, Affiliated to JNTUA, Anantapuramu)

Participants

All the Participants actively listening about the concept.

Program Outcome:

The workshop "Quantitative Research Methodologies" aims to equip participants with the essential skills and knowledge needed to conduct rigorous and impactful research. Through a comprehensive exploration of research fundamentals, including different paradigms and approaches, participants will learn to select and apply appropriate research designs, collect and analyze data effectively, and navigate ethical considerations in research. Emphasis will be placed on fostering critical thinking, problem-solving abilities, and the integration of theory into practical research applications. By the end of the workshop, participants will be able to communicate their research findings persuasively, collaborate effectively with peers, and approach research as a continuous learning process, thereby empowering them to make meaningful contributions to their respective fields of study.

Feedback:

All the Participants expressed their gratitude to the Resource Person Dr V.Reddy Lakshmi and Sri K Rama Mohan Reddy, Head of EEE& Coordinator of IQAC for creating awareness on basic fundamentals of Research methodology.

ABOUT THE INSTITUTE

Vaagdevi Institute of Technology & Science was established under the auspicious of Sri Sri Sri Mookambika Educational Society as institution of repute in Rayalaseema in the year 2002-03. It is affiliated to JNTUA University, Anantapuramu. This college offers the three under graduate courses in the specializations of EEE, ECE, CSE and postgraduate courses M.Tech & MBA.

A large number of our students are well placed in a number of MNCs and central government organizations. Today, after witnessing the rapid growth of this institution in the past few years, students from different parts of the state are joining for their bright future.

BEST PRACTICES BEING FOLLOWED AT VITS

- ↓ First Wi-Fi campus in JNTUA affiliated colleges.
- ↓ Vaagdevi Alumni Welfare Association is functioning since 2007.
- ↓ Guest Lectures are being arranged regularly through Vaagdevi Alumni Welfare Association
- ↓ To improve technical skills SMART classes are being arranged
- ↓ Advanced Teaching Learning Methodology through digital classes
- ↓ Social service activities in villages through 2 NSS Units.

To improve the physical health, everyday Games & Sports hour are being conducted for all B.Tech & PG students

OBJECTIVE OF WORKSHOP

- Understanding Intellectual Property Rights (IPR): Participants will gain a foundational understanding of intellectual property rights, including patents, copyrights, trademarks, and trade secrets.
- Overview of the Patent System: The workshop will provide an overview of the patent system, including its history, purpose, and key principles.
- Patent Application Process: Participants will be introduced to the patent application process, including the steps involved in preparing, filing, and prosecuting a patent application.

ABOUT WORKSHOP

Hosting a workshop on "IPR Patent And Process Involved" is designed for inventors, entrepreneurs, researchers, academics, legal professionals, and anyone interested in learning about patenting inventions and intellectual property rights. It is suitable for individuals from diverse backgrounds and industries who wish to protect their innovations, understand the patenting process, and leverage patents for competitive advantage.

Participants will have gained the knowledge, skills, and confidence to navigate the patenting process effectively and strategically protect their innovations through patent protection. They will be better equipped to identify patentable inventions, prepare and file patent applications, and maximize the value of their intellectual property assets through effective patent management and commercialization strategies.

Report on the Workshop

Title: IPR Patent And Process Involved

Date: 18/10/2022

Resource Person: D.Lakshmidurga

Event Coordinator: Sri K Rama Mohan Reddy

Total Participant(s): 58

Description of the Program:

The workshop was organised on 18th October 2022. Sri K Rama Mohan Reddy, Head of EEE& Coordinator of IQAC, organised the event. The Program was convened by the Principal Dr. S.D. Govardhan, The Resource Person Ms D.Lakshmidurga, Senior Analyst, TCS, Chennai. She had elaborated on the Topic “**IPR Patent And Process Involved**” Which provided the students with a basic idea about various aspects of IP and Necessity to know the Process of it. The Students were Actively Participated Throughout the workshop.

Photographs of the Event:

Resource Person D.Lakshmidurga Elaborates the concept to the Participants

The Resource Person D.Lakshmidurga, Shares his Valuable knowledge to the participants, Which provides the necessary information regards Process of Patent and its importance. All the Participants actively listening about the concept.

Sri Sri Sri Mookambika Educational Society's
VAAGDEVI INSTITUTE OF TECHNOLOGY & SCIENCE
Peddasettipalli (V), Proddatur-516360.

(Approved by A.I.C.T.E., New Delhi, Affiliated to JNTUA, Anantapuramu)

Program Outcome:

The workshop "IPR Patent And Process Involved" aimed to provide participants with a comprehensive understanding of intellectual property rights (IPR) pertaining to patents, along with the processes involved in acquiring and managing them. Through this workshop, participants likely learned about the importance of patents in protecting inventions, the legal framework surrounding patents, the application process, the criteria for patentability, and strategies for managing patents effectively. Additionally, the workshop may have covered topics such as patent infringement, enforcement, and the role of patents in fostering innovation and economic growth. Overall, the goal was to equip participants with the knowledge and skills necessary to navigate the complexities of patenting and leverage intellectual property effectively in their respective fields.

Feedback:

All the Participants expressed their gratitude to the Resource Person Ms D Lakshmidurga and Sri K Rama Mohan Reddy, Head of EEE& IQAC Coordinator for creating awareness on basic fundamentals of Patents.

Vaagdevi Institute of Technology & Science
PEDDASETTIPALLI.
PRODDATUR. Kadapa (Dist.)

ABOUT THE INSTITUTE

Vaagdevi Institute of Technology & Science was established under the auspicious of Sri Sri Sri Mookambika Educational Society as institution of repute in Rayalaseema in the year 2002-03. It is affiliated to JNTUA University, Anantapuramu. This college offers the three under graduate courses in the specializations of EEE, ECE, CSE and postgraduate courses M.Tech & MBA.

A large number of our students are well placed in a number of MNCs and central government organizations. Today, after witnessing the rapid growth of this institution in the past few years, students from different parts of the state are joining for their bright future.

BEST PRACTICES BEING FOLLOWED AT VITS

- ↓ First Wi-Fi campus in JNTUA affiliated colleges.
- ↓ Vaagdevi Alumni Welfare Association is functioning since 2007.
- ↓ Guest Lectures are being arranged regularly through Vaagdevi Alumni Welfare Association
- ↓ To improve technical skills SMART classes are being arranged
- ↓ Advanced Teaching Learning Methodology through digital classes
- ↓ Social service activities in villages through 2 NSS Units.

To improve the physical health, everyday Games & Sports hour are being conducted for all B.Tech & PG students

OBJECTIVE OF WORKSHOP

i). Understanding Social Entrepreneurship: Participants will gain a comprehensive understanding of social entrepreneurship, including its definition, scope, and significance in addressing pressing social and environmental issues.

ii). Identifying Social Problems and Opportunities: The workshop will explore techniques for identifying social problems and opportunities for intervention, including needs assessment, stakeholder analysis, and trend analysis.

iii). Business Model Innovation: Participants will learn about innovative business models and strategies employed by social enterprises to create sustainable social impact while generating revenue.

ABOUT WORKSHOP

Hosting a workshop on " Social Entrepreneurship " is designed for aspiring social entrepreneurs, changemakers, nonprofit leaders, corporate innovators, students, educators, and anyone interested in creating positive social impact through entrepreneurship. It is suitable for individuals from diverse backgrounds and sectors who wish to explore social entrepreneurship as a pathway to address social and environmental challenges.

Participants will have gained the knowledge, skills, and inspiration to pursue social entrepreneurship ventures and drive positive change in their communities and beyond. They will be better equipped to identify social problems, develop innovative solutions, and build sustainable business models that create lasting social impact and contribute to a more inclusive and sustainable future.

Report on the Workshop

Title: Social Entrepreneurship

Date: 27/10/2022

Resource Person: C Hareesh

Event Coordinator: Sri K Rama Mohan Reddy

Total Participant(s): 59

Description of the Program:

The workshop was organised on 27th October 2022. Sri K Rama Mohan Reddy, Head of EEE& Coordinator of IQAC, organised the event. The Program was convened by the Principal Dr. S.D. Govardhan, The Resource Person Sri C Hareesh, Claims Associate, Carelon Global Solutions, Bangalore. He had elaborated on the Topic “**Social Entrepreneurship**” Which provided the students with a basic idea about various aspects of Industrial Ideas which leads to start-up Business. The Students were Actively Participated Throughout the workshop.

Photographs of the Event:

The Resource Person Sri C Hareesh, Shares his Valuable knowledge to the participants, Which provides the necessary information regards Industrial Ideas which leads to start-up Business.

Participants

All the Participants actively listening about the concept.

Sri Sri Mookambika Educational Society's
VAAGDEVI INSTITUTE OF TECHNOLOGY & SCIENCE
Peddasettipalli (V), Proddatur-516360.

(Approved by A.I.C.T.E., New Delhi, Affiliated to JNTUA, Anantapuramu)

Program Outcome:

The workshop on "Social Entrepreneurship" aimed to equip participants with the knowledge and skills needed to leverage entrepreneurial principles for positive social and environmental impact. Through discussions on identifying social problems, crafting impactful business models, measuring and scaling impact, and exploring funding avenues, participants gained insights into the intersection of business and social change. Case studies and ethical considerations further enriched their understanding, inspiring them to pursue innovative solutions to pressing societal challenges while building sustainable ventures that contribute to a better world.

Feedback:

All the Participants expressed their gratitude to the Resource Person Sri C Hareesh and Sri K Rama Mohan Reddy, Head of EEE& IQAC Coordinator for creating awareness on basic fundamentals of creativity, collaboration, and strategic thinking, empowering aspiring entrepreneurs.

ABOUT THE INSTITUTE

Vaagdevi Institute of Technology & Science was established under the auspicious of Sri Sri Sri Mookambika Educational Society as institution of repute in Rayalaseema in the year 2002-03. It is affiliated to JNTUA University, Anantapuramu. This college offers the three under graduate courses in the specializations of EEE, ECE, CSE and postgraduate courses M.Tech & MBA.

A large number of our students are well placed in a number of MNCs and central government organizations. Today, after witnessing the rapid growth of this institution in the past few years, students from different parts of the state are joining for their bright future.

BEST PRACTICES BEING FOLLOWED AT VITS

- ↓ First Wi-Fi campus in JNTUA affiliated colleges.
 - ↓ Vaagdevi Alumni Welfare Association is functioning since 2007.
 - ↓ Guest Lectures are being arranged regularly through Vaagdevi Alumni Welfare Association
 - ↓ To improve technical skills SMART classes are being arranged
 - ↓ Advanced Teaching Learning Methodology through digital classes
 - ↓ Social service activities in villages through 2 NSS Units.
- To improve the physical health, everyday Games & Sports hour are being conducted for all B.Tech & PG students

OBJECTIVE OF WORKSHOP

- Understanding Problem Objectivity: Participants will gain an understanding of the concept of problem objectivity in social research, including its importance, challenges, and implications for research validity and reliability.
- Critical Thinking and Reflexivity: The workshop will emphasize the importance of critical thinking and reflexivity in social research, encouraging participants to reflect on their assumptions, values, and perspectives that may influence their research inquiries.
- Problem Formulation and Research Design: Participants will learn how to formulate research problems and research questions that are clear, precise, and objective, while also being relevant and meaningful to the research context.

ABOUT WORKSHOP

Hosting a workshop on " Problem Objectivity In Social Research" is designed for researchers, academics, graduate students, practitioners, and anyone involved in conducting social research. It is suitable for individuals from diverse disciplines and fields of study who wish to enhance the objectivity of their research inquiries, problem formulations, and research designs.

Participants will have gained the knowledge, skills, and awareness to critically evaluate and enhance the objectivity of their social research inquiries and practices. They will be better equipped to formulate research problems, design studies, and analyze data in a rigorous and credible manner, contributing to the advancement of knowledge and understanding in their respective fields.

Report on the Workshop

Title: Problem Objectivity In Social Research

Date: 09/03/2023

Resource Person: R Sudhakar

Event Coordinator: Sri K Rama Mohan Reddy

Total Participant(s): 60

Description of the Program:

The workshop was organised on 09th March 2023. Sri K Rama Mohan Reddy, Head of EEE& Coordinator of IQAC, organised the event. The Program was convened by the Principal Dr. S.D. Govardhan, The Resource Person Sri R Sudhakar, Specialist, HCL, Bangalore. He had elaborated on the Topic **“Problem Objectivity In Social Research”** Which provided the students with a basic idea about various aspects of IPR. The Students were Actively Participated Throughout the workshop.

Photographs of the Event:

Resource Person Sri R Sudhakar Elaborates the concept

The Resource Person Sri.RSudhakar, Shares his Valuable knowledge to the participants, Which provides the necessary information regards research methodology and its importance. All the Participants actively listening about the concept.

Sri Sri Sri Mookambika Educational Society's
VAAGDEVI INSTITUTE OF TECHNOLOGY & SCIENCE
Peddasettipalli (V), Proddatur-516360.

(Approved by A.I.C.T.E., New Delhi, Affiliated to JNTUA, Anantapuramu)

Program Outcome:

The workshop on "Problem Objectivity in Social Research" aimed to delve into the complex issue of ensuring objectivity and impartiality when conducting research in the social sciences. Participants likely explored various methodologies and techniques for identifying, framing, and analyzing research problems in a way that minimizes bias and subjectivity. Through discussions on the importance of reflexivity, the role of theory in shaping research questions, and strategies for maintaining neutrality in data collection and interpretation, participants gained a deeper understanding of how to navigate the inherent challenges of subjectivity in social research. By emphasizing critical thinking and methodological rigor, the workshop aimed to empower researchers to produce more reliable and credible findings that contribute to the advancement of knowledge in the social sciences.

Feedback:

All the Participants expressed their gratitude to the Resource Person Sri R Sudhakar and Sri K Rama Mohan Reddy, Head of EEE& IQAC Coordinator for creating awareness on identifying, framing, and analyzing research problems in a way that minimizes bias and subjectivity.

ABOUT THE INSTITUTE

Vaagdevi Institute of Technology & Science was established under the auspicious of Sri Sri Sri Mookambika Educational Society as institution of repute in Rayalaseema in the year 2002-03. It is affiliated to JNTUA University, Anantapuramu. This college offers the three under graduate courses in the specializations of EEE, ECE, CSE and postgraduate courses M.Tech & MBA.

A large number of our students are well placed in a number of MNCs and central government organizations. Today, after witnessing the rapid growth of this institution in the past few years, students from different parts of the state are joining for their bright future.

BEST PRACTICES BEING FOLLOWED AT VITS

- ↓ First Wi-Fi campus in JNTUA affiliated colleges.
 - ↓ Vaagdevi Alumni Welfare Association is functioning since 2007.
 - ↓ Guest Lectures are being arranged regularly through Vaagdevi Alumni Welfare Association
 - ↓ To improve technical skills SMART classes are being arranged
 - ↓ Advanced Teaching Learning Methodology through digital classes
 - ↓ Social service activities in villages through 2 NSS Units.
- To improve the physical health, everyday Games & Sports hour are being conducted for all B.Tech & PG students

OBJECTIVE OF WORKSHOP

- Understanding Innovation and Entrepreneurship: Participants will gain an understanding of the concepts of innovation and entrepreneurship, their interplay, and their importance in driving economic growth, societal progress, and technological advancement.
- Opportunity Identification and Validation: The workshop will cover techniques for identifying and validating entrepreneurial opportunities, including market analysis, customer discovery, and trend spotting.
- Design Thinking and Creative Problem Solving: Participants will learn about design thinking principles and techniques for fostering creativity and innovation in problem-solving.

ABOUT WORKSHOP

Hosting a workshop on " Innovation And Entrepreneurship " is designed for aspiring entrepreneurs, innovators, intrapreneurs, startup founders, students, professionals, and anyone interested in exploring entrepreneurship and innovation. It is suitable for individuals from diverse backgrounds and industries who wish to develop the knowledge, skills, and mindset needed to succeed as entrepreneurs and innovators.

Participants will have gained the knowledge, skills, and inspiration to drive innovation and entrepreneurship in their personal and professional endeavors. They will be better equipped to identify opportunities, develop innovative solutions, and build successful entrepreneurial ventures that create value, drive impact, and contribute to positive change in the world.

Report on the Workshop

Title: Innovation And Entrepreneurship

Date: 23rd March 2023

Resource Person: Sri Nikhil Chandrahas K

Event Coordinator: Sri K Rama Mohan Reddy

Total Participant(s): 59

Description of the Program:

The workshop was organised on 23rd March 2023. Sri K Rama Mohan Reddy, Head of EEE& Coordinator of IQAC, organised the event. The Program was convened by the Principal Dr. S.D. Govardhan, The Resource Person Sri Nikhil Chandrahas K, Lead Cloud Data Engineer, Gyansys Bangalore. He had elaborated on the Topic **“Innovation And Entrepreneurship”** Which provided the students with a basic idea about various aspects of Entrepreneurship. The Students were Actively Participated Throughout the workshop.

Photographs of the Event:

Resource Person Sri Nikhil Chandrahas K Elaborates the concept to Participants

The Resource Person Sri Nikhil Chandrahas K, Shares his Valuable knowledge to the participants, Which provides the necessary information regards Entrepreneurship and its importance.

VAAGDEVI INSTITUTE OF TECHNOLOGY & SCIENCE
Peddasettipalli (V), Proddatur-516360.

(Approved by A.I.C.T.E., New Delhi, Affiliated to JNTUA, Anantapuramu)

Program Outcome:

The workshop on "Innovation and Entrepreneurship" aims to foster creativity, critical thinking, and entrepreneurial mindset among participants to navigate the dynamic landscape of innovation-driven economies. Through interactive sessions, real-world case studies, and practical exercises, participants will explore the principles and practices of innovation and entrepreneurship. Key topics covered may include identifying market opportunities, developing innovative products or services, building sustainable business models, and navigating the challenges of startup growth and scaling. Additionally, participants will learn about the importance of fostering a culture of innovation within organizations, leveraging emerging technologies, and harnessing collaboration and networking for entrepreneurial success. Ultimately, the workshop aims to empower individuals to generate and implement innovative ideas, drive economic growth, and create positive societal impact through entrepreneurship.

Feedback:

All the Participants expressed their gratitude to the Resource Person Sri Nikhil Chandrahas K and Sri K Rama Mohan Reddy, Head of EEE& IQAC Coordinator for creating awareness on basic fundamentals of Research methodology.

ABOUT THE INSTITUTE

Vaagdevi Institute of Technology & Science was established under the auspicious of Sri Sri Sri Mookambika Educational Society as institution of repute in Rayalaseema in the year 2002-03. It is affiliated to JNTUA University, Anantapuramu. This college offers the three under graduate courses in the specializations of EEE, ECE, CSE and postgraduate courses M.Tech & MBA.

A large number of our students are well placed in a number of MNCs and central government organizations. Today, after witnessing the rapid growth of this institution in the past few years, students from different parts of the state are joining for their bright future.

BEST PRACTICES BEING FOLLOWED AT VITS

- ↓ First Wi-Fi campus in JNTUA affiliated colleges.
 - ↓ Vaagdevi Alumni Welfare Association is functioning since 2007.
 - ↓ Guest Lectures are being arranged regularly through Vaagdevi Alumni Welfare Association
 - ↓ To improve technical skills SMART classes are being arranged
 - ↓ Advanced Teaching Learning Methodology through digital classes
 - ↓ Social service activities in villages through 2 NSS Units.
- To improve the physical health, everyday Games & Sports hour are being conducted for all B.Tech & PG students

OBJECTIVE OF WORKSHOP

- Understanding Intellectual Property Rights (IPR): Participants will gain a comprehensive understanding of intellectual property rights, including patents, copyrights, trademarks, and trade secrets.
- Identifying and Valuing Intellectual Property: The workshop will cover techniques for identifying, assessing, and valuing intellectual property assets within startups. Participants will learn how to conduct IP audits, assess the strategic value of their intellectual property portfolio, and leverage IP assets to attract investors and partners.
- Patent Strategy and Patenting Process: Participants will learn about patent strategy development and the process of obtaining patents for innovative products, processes, and technologies.

ABOUT WORKSHOP

Hosting a workshop on "IPR And IP Management For Startup" is designed for startup founders, entrepreneurs, innovators, technology transfer professionals, investors, and anyone involved in launching or scaling startup ventures. It is suitable for individuals from diverse industries and sectors who wish to understand the role of intellectual property in startup success and develop strategies for managing and protecting IP assets.

Participants will have gained the knowledge, skills, and resources to effectively manage and protect their intellectual property assets, mitigate risks, and maximize the value of their IP portfolios. They will be better equipped to navigate the complexities of intellectual property law, make informed decisions about IP management, and leverage intellectual property as a key driver of startup success and growth.

Report on the Workshop

Title: IPR And IP Management For Startup

Date: 27/03/2023

Resource Person: P Devika Devi

Event Coordinator: Sri K Rama Mohan Reddy

Total Participant(s): 55

Description of the Program:

The workshop was organised on 27th March 2023. Sri K Rama Mohan Reddy, Head of EEE& Coordinator of IQAC, organised the event. The Program was convened by the Principal Dr. S.D. Govardhan, The Resource Person Ms P Devika Devi, Associate, Cognizant, Hyderabad. She had elaborated on the Topic “**IPR And IP Management For Startup**” Which provided the students with a basic idea about various aspects of IP Management. The Students were Actively Participated Throughout the workshop.

Photographs of the Event:

The Resource Person Ms P Devika Devi, Shares his Valuable knowledge to the participants, Which provides the necessary information regards research methodology and its importance.

Program Outcome:

The workshop "IPR And IP Management For Startup" was an insightful and practical program aimed at helping participants leverage their intellectual property (IP) to its fullest potential. Through interactive sessions and expert guidance, attendees gained a deep

ABOUT THE INSTITUTE

Vaagdevi Institute of Technology & Science was established under the auspicious of Sri Sri Sri Mookambika Educational Society as institution of repute in Rayalaseema in the year 2002-03. It is affiliated to JNTUA University, Anantapuramu. This college offers the three under graduate courses in the specializations of EEE, ECE, CSE and postgraduate courses M.Tech & MBA.

A large number of our students are well placed in a number of MNCs and central government organizations. Today, after witnessing the rapid growth of this institution in the past few years, students from different parts of the state are joining for their bright future.

BEST PRACTICES BEING FOLLOWED AT VITS

- ✦ First Wi-Fi campus in JNTUA affiliated colleges.
- ✦ Vaagdevi Alumni Welfare Association is functioning since 2007.
- ✦ Guest Lectures are being arranged regularly through Vaagdevi Alumni Welfare Association
- ✦ To improve technical skills SMART classes are being arranged
- ✦ Advanced Teaching Learning Methodology through digital classes
- ✦ Social service activities in villages through 2 NSS Units.

To improve the physical health, everyday Games & Sports hour are being conducted for all B.Tech & PG students

OBJECTIVE OF SEMINAR

i) Incentivizing Innovation: IPR provides legal protection and recognition for novel ideas, inventions, and creative works. This incentivizes researchers, scholars, and educators to invest time, effort, and resources into generating new knowledge and solutions to complex problems..

ii) Facilitating Technology Transfer: IPR facilitates the transfer of technology and knowledge from academic institutions to industry, leading to practical applications and commercialization of research findings. This transfer of technology can drive economic growth and societal benefit.

iii) Preserving Academic Integrity: IPR safeguards academic integrity by preventing unauthorized use or misappropriation of intellectual property.

ABOUT SEMINAR

Hosting a Seminar on "How to Maintain Licencing Rights" can be a valuable initiative for academic institutions, research organizations, and scholars. The workshop will begin with an introduction to various types of intellectual property rights, including patents, copyrights, trademarks, and trade secrets, emphasizing their significance in safeguarding research outcomes and promoting innovation within academia.

Participants will receive guidance on navigating the patenting process, including the criteria for patentability and effective licensing strategies tailored to academic inventions. The workshop will address ethical considerations associated with intellectual property rights in academia, with a focus on ensuring equitable access to research outcomes and an overview of open access publishing models.

Report on the Workshop

Title: Seminar on How to Maintain Licencing Rights

Date: 05/06/2023

Resource Person: C Neelavathi

Event Coordinator: Sri K Rama Mohan Reddy

Total Participant(s): 38

Description of the Program:

The workshop was organised on 05th June 2023. Sri K Rama Mohan Reddy, Head of EEE& Coordinator of IQAC, organised the event. The Program was convened by the Principal Dr. S.D. Govardhan, The Resource Person Ms C Neelavathi, Entrepreneur, Proddatur. She had elaborated on the Topic “Seminar on How to Maintain Licencing Rights” Which provided the students with a basic idea about various aspects of Licencing Rights. The Students were Actively Participated Throughout the workshop.

Photographs of the Event:

Resource Person Sri C Neelavathi Elaborates the concept to Participants

The Resource Person Ms C Neelavathi, Shares his Valuable knowledge to the participants, Which provides the necessary information regards Licencing Rights and its importance. All the Participants actively listening about the concept.

Peddasettipalli (V), Proddatur-516360.

(Approved by A.I.C.T.E., New Delhi, Affiliated to JNTUA, Anantapuramu)

Program Outcome:

The workshop "Seminar on How to Maintain Licensing Rights" aims to equip participants with the knowledge and strategies necessary to effectively manage and protect licensing rights in various contexts. Participants will delve into topics such as understanding licensing agreements, negotiating terms and conditions, monitoring compliance, and enforcing rights. Through case studies, interactive discussions, and practical exercises, participants will learn best practices for maintaining control over their intellectual property assets while maximizing the value of licensing agreements. Additionally, the seminar will cover strategies for resolving disputes, managing relationships with licensees, and adapting to changing market conditions. By the end of the workshop, participants will have the tools and insights needed to navigate the complexities of licensing arrangements and safeguard their rights in a competitive business environment.

Feedback:

All the Participants expressed their gratitude to the Resource Person Ms C Neelavathi and Sri K Rama Mohan Reddy, Head of EEE& IQAC Coordinator for creating awareness on basic fundamentals of understanding licensing agreements, negotiating terms and conditions, monitoring compliance, and enforcing rights.

ABOUT THE INSTITUTE

Vaagdevi Institute of Technology & Science was established under the auspicious of Sri Sri Sri Mookambika Educational Society as institution of repute in Rayalaseema in the year 2002-03. It is affiliated to JNTUA University, Anantapuramu. This college offers the three under graduate courses in the specializations of EEE, ECE, CSE and postgraduate courses M.Tech & MBA.

A large number of our students are well placed in a number of MNCs and central government organizations. Today, after witnessing the rapid growth of this institution in the past few years, students from different parts of the state are joining for their bright future.

BEST PRACTICES BEING FOLLOWED AT VITS

- ↓ First Wi-Fi campus in JNTUA affiliated colleges.
 - ↓ Vaagdevi Alumni Welfare Association is functioning since 2007.
 - ↓ Guest Lectures are being arranged regularly through Vaagdevi Alumni Welfare Association
 - ↓ To improve technical skills SMART classes are being arranged
 - ↓ Advanced Teaching Learning Methodology through digital classes
 - ↓ Social service activities in villages through 2 NSS Units.
- To improve the physical health, everyday Games & Sports hour are being conducted for all B.Tech & PG students

OBJECTIVE OF WORKSHOP

- Developing an Entrepreneurial Mindset: Participants will gain an understanding of the key characteristics and attributes of successful entrepreneurs, including creativity, initiative, risk-taking, and resilience.
- Self-awareness and Personal Development: The workshop will focus on self-awareness and personal development as foundational elements of entrepreneurial success.
- Communication and Networking Skills: Participants will learn effective communication and networking skills essential for building relationships, fostering collaboration, and mobilizing support for entrepreneurial ventures.

ABOUT WORKSHOP

Hosting a workshop on "Entrepreneurship Skills And Behavioural Development" is designed for aspiring entrepreneurs, startup founders, innovators, professionals, students, and anyone interested in developing entrepreneurial skills and mindset. It is suitable for individuals from diverse backgrounds and industries who wish to embark on entrepreneurial ventures or lead innovation initiatives within their organizations.

Participants will have gained the knowledge, skills, and confidence to navigate the entrepreneurial journey effectively, overcome obstacles, and lead successful ventures. They will be better equipped to harness their entrepreneurial potential, leverage their strengths, and make a positive impact in the entrepreneurial ecosystem.

(Approved by A.I.C.T.E., New Delhi, Affiliated to JNTUA, Anantapuramu)

Program Outcome:

The workshop "Entrepreneurship Skills and Behavioral Development" aims to cultivate essential entrepreneurial competencies and foster behavioral traits conducive to success in entrepreneurial endeavors. Through a combination of theoretical frameworks, experiential learning activities, and practical exercises, participants will develop key skills such as creativity, resilience, adaptability, and risk-taking. Additionally, the workshop will focus on enhancing communication, leadership, and problem-solving abilities crucial for navigating the challenges and opportunities of entrepreneurship. Participants will also explore the role of mindset, motivation, and self-awareness in shaping entrepreneurial behavior and decision-making. By the end of the workshop, participants will be better equipped to identify and capitalize on entrepreneurial opportunities, effectively manage uncertainty and setbacks, and cultivate a mindset conducive to sustainable business growth and innovation.

Feedback:

All the Participants expressed their gratitude to the Resource Person Dr.B Sudheer Kumar and Sri K Rama Mohan Reddy, Head of EEE& IQAC Coordinator for creating awareness on basic fundamentals of creativity, resilience, adaptability, and risk-taking.
