

## **6.2 Strategic Development & Deployment**

### **Policy Statement:**

Our commitment lies in fostering the advancement of the college as a distinguished institution of higher education, characterized by the provision of quality education, exceptional infrastructure, and a conducive learning environment. We prioritize the holistic development of students by offering a comprehensive range of curricular, co-curricular, and extracurricular activities. Our dedication extends to the implementation of transparent appraisal systems and the cultivation of students' innate talents.

To enrich the student experience, we emphasize enhanced industry-institution interactions, facilitated through MOUs, expert lectures, entrepreneurial initiatives, and opportunities for research and consultancy. Moreover, we ensure a supportive work environment for faculty and staff by offering competitive salaries and top-notch facilities, in alignment with UGC guidelines for continuous knowledge enhancement and qualification upgrades.

### **Goals of the Institute:**

#### **Short Term Goals:**

- Continuously update syllabi to align with evolving industry demands and enhance employability.
- Enhance the quality of faculty and staff through comprehensive training in content delivery, pedagogy, and management skills, alongside opportunities for qualification upgrades.
- Strengthen engagement with industry partners and alumni, involving them in various institutional activities to foster growth and collaboration.
- Provide targeted support to academically challenged students, promoting equity among all student categories, and establish a "Finishing School" concept.
- Foster a culture of teamwork and peer learning through Peer Learning Groups.
- Enhance student employability through robust training and placement services.
- Foster innovation and entrepreneurship through the establishment of an incubation cell and proactive engagement with global academic communities.

(Approved by A.I.C.T.E., New Delhi, Affiliated to JNTUA, Anantapuramu)

- Promote multidisciplinary education by introducing diverse elective courses.
- Offer value-added courses beyond the curriculum during off-hours, benefiting both students and the local community. Additionally, create opportunities for postgraduate students to engage in teaching and research assistantships to groom future faculty.

**Long Term Goals:**

- Foster sponsored research collaborations with industries, provide tailored training for professionals, and offer testing and calibration services.
- Engage external experts to deliver specialized courses, fostering innovation within the institute.
- Transition faculty from teaching-centric roles to focus on research, development, and innovation.
- Attract industry partnerships to introduce value-added programs within the institute.
- Expand educational offerings through both online and offline mediums, leveraging tools such as video conferencing and electronic libraries to reach a wider audience.
